Academic Year 2025/2026 - Autumn term

Friday 5th December 2025

## Whinstone Wide - General school information

### Our new OPAL shed

The Friends of Whinstone have generously funded a brand-new OPAL shed, now installed on the KS1 playground. We'd like to extend a heartfelt thank you to all our wonderful parents, it is your support and fundraising that has made this possible.

After Christmas, we will be sharing information about asking children to bring a pair of wellies to keep in school. These will be stored in the new shed, allowing children to enjoy the fields and wildlife area in all weathers.

Thank you once again for helping us make outdoor play even better for our children.

### Christmas Jumper Day and Christmas dinner

Wednesday 10th December is Whinstone's Save the Children Christmas Jumper Day!

**Save the Children**  
CHRISTMAS JUMPER DAY

To mark the occasion, children are invited to enjoy a non-uniform day with a festive twist. Christmas jumpers, festive dresses, or simply bright Christmassy colours are all encouraged to help raise funds for children in the UK and around the world.

We suggest a contribution of £1, though any amount is warmly appreciated - all donations will go directly to this support this worthwhile charity.

And don't forget - it's also Christmas Dinner Day, making the day even more special!

### Inconsiderate parking - again!

We have once again received concerns from local residents about cars blocking driveways and pavements during drop-off and pick-up times. As many of you will have noticed, the local authority has installed new bollards along the main road to help prevent inconsiderate parking, but this has unfortunately shifted the problem further along the road.

We kindly ask all parents and carers to remain vigilant and to follow parking restrictions at all times. Doing so helps keep our children safe and ensures that those living near the school are not adversely affected. Thank you for your cooperation and support.

### Parents as role models

Unfortunately, this week we have had to speak with a small number of parents regarding conduct on the school grounds. We would like to remind all parents and carers that the use of inappropriate language, as well as any threatening or aggressive behaviour towards staff, will not be tolerated. As adults, we play an important role in modelling positive behaviour for our children. They learn from what they see, so let's work together to ensure we are setting the right example and creating a safe, respectful environment for everyone.

## Brass instrument opportunity for Ks2 children

A couple of weeks ago, the children enjoyed a demonstration of brass instruments from Mr Graham Tedd, a specialist brass teacher in our area. Building on our current music offer, we are excited to provide the opportunity for children to receive brass tuition, learning the baritone horn, trumpet, or trombone.

If your child is interested in learning a brass instrument, please complete the form via the link below. Children need to be enrolled by 12th December to start tuition in January. Details of costs can also be found on the for. If your child is in receipt of Pupil Premium or free school meals, we can subsidise the cost of this tuition if needed. Please speak to the school office if this is required. [Form here](#)
